Sir:

It has recently come to our attention that there may be an error in the patent term adjustment calculated by the U.S. Patent and Trademark Office for the above-referenced patent. Specifically, the patent term adjustment pursuant to 35 U.S.C.

154(b) that is indicated on the front of the patent as 122 days may extend the term of this patent by too many days. Please review the calculation of the patent term adjustment and make corrections using a certificate of correction if necessary.

Respectfully submitted,

Dated: May 19, 2005
